Wednesday Ski Bus  
Coordinator:

Sarah Burris

Webb Ski: Jim & Judy Webb

## COVID PROTOCOL

### Friday Night Middle School Bus:

- Vaccinations Required (We are hopeful that emergency use vaccinations for children 5 to 12 years old will be approved in time for ski bus. However, if not, there will be no exceptions for those 12 years old and under due to safety concerns for everyone on the bus).
- Masks required at all times on the bus.
- No eating or drinking on the bus.
- Assigned seating will be required (this is necessary for contact tracing purposes). We will work with the kids to try and arrange seating with friends.

### Wednesday 2<sup>nd</sup>-8<sup>th</sup> grade Bus:

- Vaccinations will be required. We will make accommodations for students under 12 that are not fully vaccinated by our first trip on 1/12.
- Masks required at all times on the bus unless eating or drinking.
- Assigned seating will be required.

Students will deliver their gear on the morning of Ski Bus to the music room

Students will arrive in the cafeteria after school and put ski gear on.

Chaperones will assist with boots and help load the skis under the bus.

Students will board the bus fully suited up. There's a bathroom on the bus and kids should have a large snack and water for the bus ride.

5 minutes before we arrive kids will be reminded to get on helmets, gloves, buckle boots, etc.

Kids are assigned to a group and chaperones will walk kids across the street from the bus to their assigned group

Each week kids learn a new set of skills

When lessons are done chaperones will walk kids across the street to the bus. The bus coordinator will notify parents what time they will arrive back at school once the bus has left.

It's very common for some weeks to be postponed due to pass closures, etc. If a week is cancelled, an additional week is made up later in the season.
