

# 2025-2026 HAZEL-WOLF SKI BUS INFO

<u>Friday Ski Bus Coordinator:</u> Geoff Smith

Wednesday Ski Bus Coordinator:

Pete Bohenkamp

Students will deliver their gear to the school.

Students will arrive in the cafeteria after school and put ski gear on.

Chaperones will assist with boots and help load the skis under the bus.

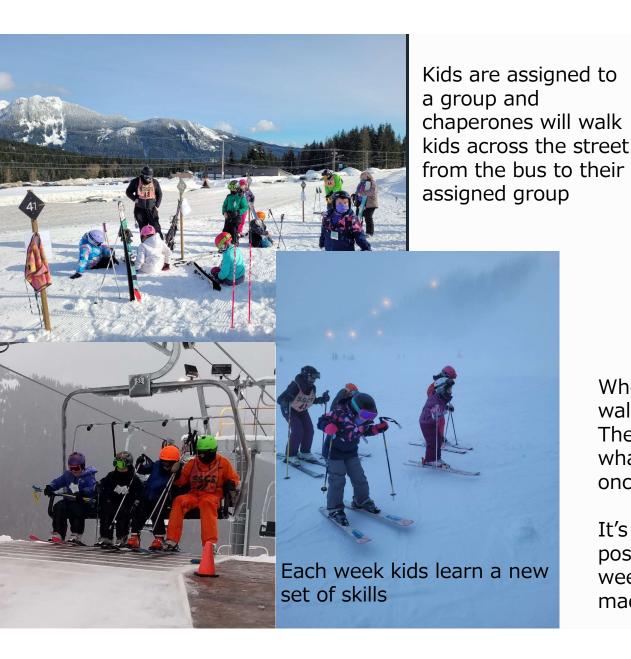

Students will board the bus fully suited up. There's a bathroom on the bus and kids should have a large snack and water for the bus ride.

5 minutes before we arrive kids will be reminded to get on helmets, gloves, buckle boots, etc.

When lessons are done chaperones will walk kids across the street to the bus. The bus coordinator will notify parents what time they will arrive back at school once the bus has left.

It's very common for some weeks to be postponed due to pass closures, etc. If a week is cancelled, an additional week is made up later in the season.
